

BARCADE JERSEY CITY EVENT PACKAGE

BARCADE JERSEY CITY opened in April of 2011 in an erstwhile bank building at 163 Newark Avenue. At the forefront of the impressive development of downtown "JC", Barcade Jersey City immediately established itself as a cornerstone presence in what has become a bustling dining and nightlife district. Located a few steps away from the popular Newark Avenue Pedestrian Plaza — and just one block from the Grove Street PATH station — Barcade Jersey City has made a name for itself as both a hip draw for out-of-towners, as well as a reliable-yet-vibrant destination for locals.

Barcade features a combination of classic arcade games and craft beers handpicked from local craft breweries. Barcade has eight locations throughout the northeastern United States. With a new location in Midtown Detroit opening late 2019.

Twenty-five beers are available on draft and cask at each location, and all are chosen exclusively from top American craft breweries. The selection leans towards local breweries from the northeast, including Brooklyn Brewery, Sixpoint Brewery, Cape Ann Brewing, Dogfish Head, Victory Brewing and Captain Lawrence Brewing.

Like the beer selection, the classic video games at each location are handpicked as well. Some examples of the arcade games you'll find at Barcade include: Tapper, Q*bert, Donkey Kong, Tetris, Daytona USA, Tron, Teenage Mutant Ninja Turtles, X-Men, Marvel vs. Capcom and Mortal Kombat.

The original Barcade opened in 2004 in a former metal shop at 388 Union Avenue in the Williamsburg neighborhood of Brooklyn. All locations are owned and operated by the founders and each is infused with the same gritty, authentic spirit that made the original such a hit with local artists, musicians, and key influencers.
